Er. Bhagirath Poonia
Chairman

We have moved from excellence to perfection with a zeal and strategy that has a miraculous effect on our students. They have inculcated the spirit of change and smart work from the Aura that we have imbibed at Sri Balaji P.G. Mahavidyalaya (SBPGM) campus. There have been instances when we have had to groom students with extreme care and plenty of empathy and a rigorous training regimen to meet the current needs of industry and society which we feel is more inclined to skill sets/Soft skill/Mentoring now and we have come out with flying colors. The approach to tending our prodigies is what we excel at, apart from teaching them the nuances of computer applications. Corporate character is another paradigm that we have been trying to concentrate on in our endeavor to bridge the gap between industry and academics.

We have mission in our heart and vision in our mind to grow a positive brain compatible environment in the college to encourage and motivate all students to reach their fullest potential and refined their inner hidden talent. We are committed towards providing excellent education to change the students as ideal graduates who will be highly competent in their chosen fields, ethical in behavior with high human values to face the challenges of future. We invite you to visit our campus to support our fledglings into their first flight to glory so that they too can make a place for themselves in the annals of achievers.

Mr. Jagdish Poonia
Managing Director

Prof. (Dr.) K. C. Sharma
M. Sc. (Physics) Ph.D
Principal, SBPGM

In modern times where on one hand very high achievements in the fields of science, commerce and education have provide almost every conceivable comfort to mankind, on the other hand blinding glitter has compelled us to forget our true identity. This has posed a great challenge before human values and humanity. The development in the field of science, commerce and education has increased many folds the struggle in human life and it has become very complex. Due to this we are losing our peace of mind and feeling of contentment which are natural gifts of nature. Education and introspection are the only ways to avoid this situation, I have full confidence that our students at SBPGM would pass this test of time imposed by scientific era and explore new dimensions in the field of education development.

ABOUT SBPGM

Sri Balaji P.G. Mahavidyalaya was established by "Sri Balaji Shiksha Samiti" in the year 2007. It is a recognized institution by Directorate of College Education, Govt. of Rajasthan & NCTE New Delhi and is affiliated to University of Rajasthan, Jaipur has been set up keeping in view a dream mission of providing purposeful education. It is a part of a campus spread over 40 acres of Land amidst sylvan surroundings and pollution free environment. It has close proximity to the Jaipur Railway Station and Bus Stand. The college provides ample scope for every student to progress and excel in academics and other activities.

VISION

To impart the quality professional education and training in the field of Business, Commerce, Science and Computers.

MISSION

To embark on a successful career of students in their respective fields.

GOALS

1. To develop comprehensive world view in the students with respect for all forms of life and foster an environment where people work together and are motivated to succeed.
2. To inculcate the zeal for individuals excellence and yet reinforce the importance of team work.
3. To support a proper harnessing of latent talents and to encourage the students to take initiative.
4. To enhance logical, creative and analytical skills.
